ABOUT PENSKE IN AUSTRALIA & NEW ZEALAND

The Penske brand is proudly represented through leading on- and off-highway businesses, Penske Australia & New Zealand, Penske Truck Leasing, and Penske Automotive Australia.

PENSKE AUSTRALIA & NEW ZEALAND

Distributing the Western Star Trucks, MAN Truck & Bus, Dennis Eagle, *mtu*, Bergen Engines, Detroit, Allison Transmission (AU only), and Sauer Compressors brands, we operate across the most dynamic markets including commercial vehicles, mining, energy solutions, defence, rail, marine, construction and industrial, oil and gas, and agriculture.

Penske also represents aftermarket products from leading oil, coolant, and filter brands.

With over 1,300 employees, we are committed to providing comprehensive 24/7 aftersales support through a network of 22 strategically located branches, six field locations, and more than 100 dealers.

PENSKE TRUCK LEASING

Penske Truck Leasing offers convenient and professional truck rental and leasing services in Adelaide, Brisbane (Lytton and Wacol), Melbourne (Altona North and Pakenham), Perth, and Sydney.

With a focus on customer service excellence and making business easy, Penske Truck Leasing works one-on-one with customers to find complete and tailored solutions to suit their unique operating requirements.

We remain committed to partnering with customers to provide superior service and high-quality, well-maintained vehicles.

PENSKE AUTOMOTIVE AUSTRALIA

Penske Automotive Australia is one of Australia's premier automotive retailers. Penske Automotive Australia forms part of the global Penske Automotive Group which operates dealerships in the United States, the United Kingdom, Canada, Germany, Italy, as well as Australia.

With over 200 employees, Penske Automotive Australia retails the highly exclusive Porsche brand of cars across three dealership locations in Victoria, including Porsche Centre Melbourne, Porsche Centre Doncaster, and Porsche Centre Brighton.

Through the Penske Select brand, Penske Automotive Australia also retails used luxury vehicles that offer a premium, cost-effective solution.

Penske Australia, Penske New Zealand, and Penske Automotive Australia are 100% subsidiaries of Penske Automotive Group, a Fortune 500 company that is listed on the New York Stock Exchange.

Penske Truck Leasing forms part of Penske Transportation Solutions.

Penske Automotive Group and Penske Transportation Solutions form part of Penske Corporation.

Australia & New Zealand

Penske distributes heavy-duty trucks from Western Star Trucks, MAN Truck & Bus, and Dennis Eagle through a network comprising over 70 sales, service, and parts dealers throughout Australia, New Zealand, Indonesia, and Papua New Guinea.

WESTERN STAR TRUCKS

Seriously modern, the award-winning X-Series boasts superior comfort, an advanced safety package, a powerful integrated driveline, and our legendary Star durability – even in the most rugged applications.

MAN TRUCK & BUS

German engineered and proven in Australia, MAN's truck generation boasts great efficiency and economy features, optimised uptime, excellent driver fit, making for a strong business partner.

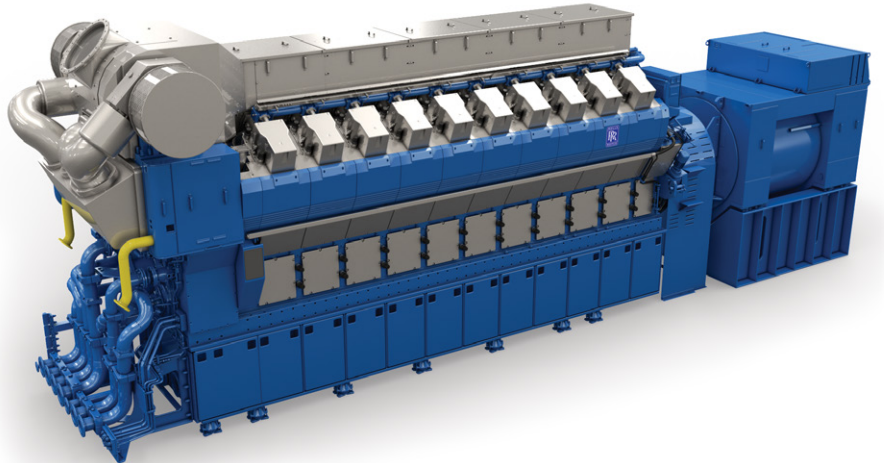

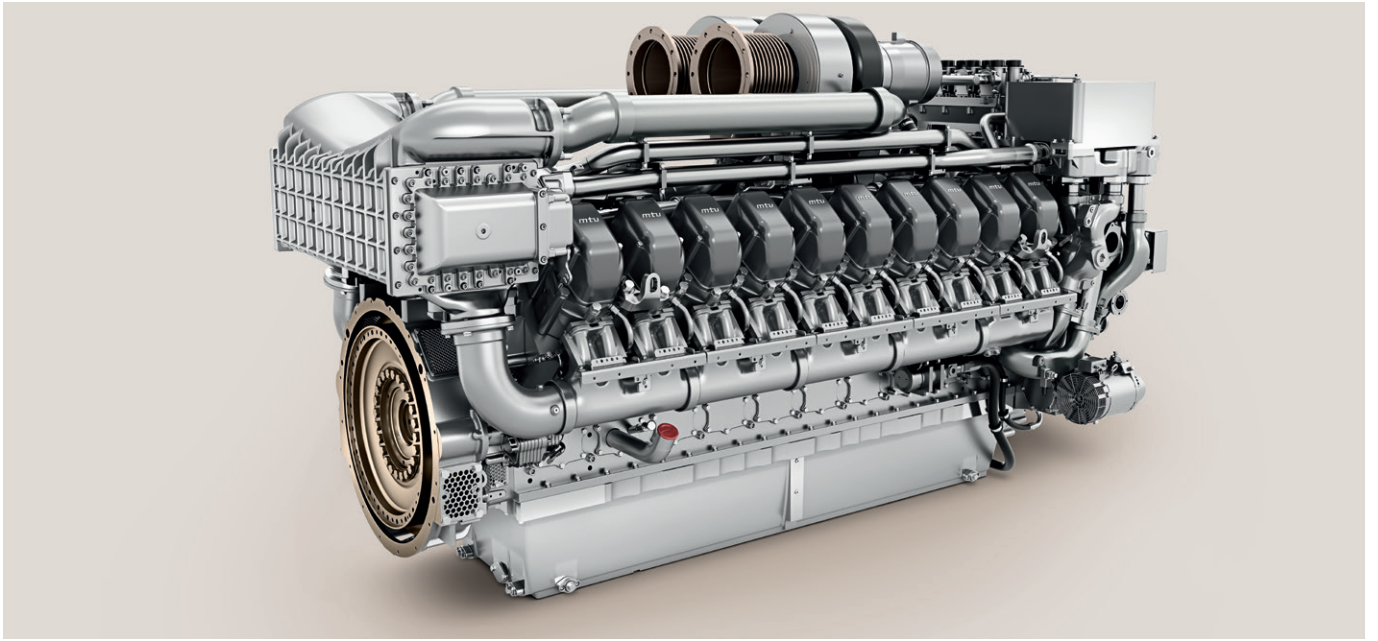

MAN's bus range redefines efficiency, safety, and comfort and caters for a wide range of customer applications from heavy-duty, long distance transportation solutions to city bus, coach, and school buses.

DENNIS EAGLE

A market leader in refuse collection vehicles, Dennis Eagle offers among the greatest visibility in its class. Specifically designed to for the refuse collection application, key characteristics include excellent safety features, tall and wide door openings, true flat floors, and large glass areas for maximum visibility.

Penske is also the appointed dealer of Western Star Trucks, MAN Truck & Bus, and Dennis Eagle across select locations, providing full retail sales, service, and parts functions.

Penske Australia & New Zealand is a leading distributor of the world's finest diesel engines, gas engines, and power systems. We operate and support customers in the mining, energy solutions, defence, rail, marine, construction and industrial, oil and gas, and agriculture markets.

mtu

Rolls-Royce Power Systems' *mtu* brand is one of the world's leading manufacturers of large diesel engines, gas engines, and complete propulsion systems offering powerful, reliable, and cost-effective solutions for a range of industries, including mining, energy solutions, construction and industrial, rail, marine, oil and gas, agriculture, and defence. With diesel and gas engines, as well as microgrid and alternative fuel solutions, *mtu*'s systems are used in a range of applications.

BERGEN ENGINES

Highly reliable, Bergen Engine's range of medium-speed liquid-fuelled and gas-fuelled reciprocating engines are ideal for marine and land-based applications, even in the most demanding environments. An industry stalwart, Bergen Engines has been delivering reciprocating medium-speed engines for marine and land applications for more than 75 years

DETROIT

The industry-leading original equipment manufacturer of state-of-the-art engines and transmissions, Detroit sets the bar. Specifically designed for integrated, optimised performance and efficiency inside Freightliner and Western Star trucks, the Detroit product portfolio has expanded to include advanced safety systems and telematics, delivering a total trucking solution.

ALLISON TRANSMISSION

Allison Transmission is a leading manufacturer of fully automatic transmissions for medium- and heavy-duty commercial vehicles. The highly diverse Allison Transmission product portfolio includes innovative solutions for bus, refuse, fire, construction, distribution, military, and other specialty vehicles. The longest serving distributor of Allison Transmission in Australia, Penske further backs the robust design of Allison transmissions with our dedicated team of experts.

SAUER COMPRESSORS

Manufactured in Kiel, Germany, Sauer Compressors' renowned range of piston compressors are available for pressures up to 500 barg and designed for continuous operation. Sauer compressors are the ideal solution for operation at atmospheric suction pressure or for use as gas-tight boosters with pre-pressures up to 25 barg.

AFTERSALES

Penske offers a comprehensive range of aftermarket products to support our customers. From specialised oil and coolant formulae designed specifically for your engine, to the highest quality genuine parts, we ensure our customers' assets receive the best of care.

With a network of strategically-situated branches and field locations, and 24/7 aftersales support, we are able to partner with our customers by providing professional, customer-specific maintenance solutions.

PENSKE DISTRIBUTION CENTRE

Located in Brisbane, QLD, the Penske Distribution Centre (PDC) provides aftersales support for Penske's Australian and New Zealand operations. The PDC services Penske's entire portfolio of brands, including Western Star Trucks, MAN Truck & Bus, Dennis Eagle, *mtu*, Bergen Engines, Detroit, and Allison Transmission, to name a few.
